HOW TO COMPLETE A SCORESHEET

- Write in the names and numbers of the players.
- At the start of each period write an 'x' in the correct column when a player enters the game.
- Fouls are recorded by writing 'P' for a Personal foul. If it is a shooting foul (free throws are given because of the foul) record this by writing a 'P' and the amount of shots that will be given. E.g.
 1 free throw write 'P1'
 2 free throws write 'P2'
 3 free throws write 'P3'
 When a foul is recorded mark off one of the team fouls in the box for that quarter until all four are marked.
- There are 4 columns for the Running Score. There are 2 for Team A and 2 for Team B. Following a score, FIRST cross out the points in the correct Running Score column with a diagonal line '/' for a field goal or a '.' for a successful free throw in each box. THEN write in the number of the player in the blank space alongside the '/' or the '.'. When a 3 pointer has been successful you draw a circle around the player's number that scored.
- Complete each quarter by ruling off the running score for each team at the end of each quarter.
- At the End of the game write in the end of score in the boxes provided and enter in the name of the Winning team. Once you have completed this sign the score sheet and give to the referee's to check and finalise.
