Team Responsibilities

- b) FIBA Rules will apply, unless otherwise stated.
- c) All teams must play in regulation (and numbered) playing strip. Players in breach of this rule will not take the court until the appropriate uniform is worn.
- d) All teams must provide at least one competent person to complete score bench duty for their game.
- e) All teams and players must comply with the direction of the Tournament Committee and Venue Controller.
- f) Teams must be ready to take the court at the prescribed time for their respective games. Teams cannot take the court with less than five players. Should teams not have a minimum of five players available; by no later than five minutes after the scheduled start time of a game, then the offending team will forfeit the game. Two win points will be awarded to the opposition team and zero to the offending team as per FIBA Rules.
- g) The penalty for any second or subsequent breach of the rules will be at the discretion of the tournament Committee.
- h) MERCY RULE (**Division 2 ONLY**) – Keeping within the spirit of the game at this Easter Tournament, the Mercy Rule will apply. Any team who is ahead by 30 points or more cannot play full court defense and must retreat to behind the half way centre line every time after they score. The defensive team cannot pick up the opposition until the ball crosses the centre line into their back court. Venue Controller may be called upon to ensure this happens.

- j) Only players and three management staff (as listed on the score sheet) are permitted to sit on the team benches (no spectators or children).
- k) Teams are to supply their own ball to use in competition games. The referee will determine which ball will be used.
- l) Team benches will be determined by the name on the score sheet. Team A will sit on the left side and Team B will sit on the right side of the score bench (determined if you are standing on the same side as the score bench facing the court).
- m) Uniform colour will be determined by the name on the score sheet. Team A is to wear their light coloured uniforms and Team B is to wear their dark coloured uniforms if there is a clash.

First Aid

It is the responsibility of teams to provide basic first aid. Ice packs will be available for injuries from the Venue Controller. A physiotherapist will also be onsite at the NSEC for the duration of the tournament. The physio will be available to assess, apply strapping, injuries, massages – (there will be a small fee). Strapping tape will be available for purchase.

Childcare

Due to limited space at all venues, parents are asked to take care of their own children. Harbour Basketball and Auckland Basketball Services and the Stadiums are not responsible for any injuries sustained at the venues. To reduce child injuries, we ask that no children are to sit on the team's bench. The Venue Controller will ask them to be removed.
